Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

At The Time Appointed

That Mainwaring Affair will expect to find plenty of mystery and exciting incidents in A. Maynard Barbour's latest novel, called At the Time Appointed, and they will realize their expectations. The author has a certain way of forecasting events and making people utter prophetic words, all bound to find their fulfillment somewhere before the last chapter is ended, that is eminently characteristic of one who delights in the knitting and raveling of the intricate plots which are a prime necessity in a detective story. The title itself cleverly suggests a long series of events slowly converging toward some mysteriously critical moment in which all their crookedness is revealed and made straight for the delectation of at least two people; and the is exactly the kind of a title for this story of long-delayed justice and patient hoping. The main object in a story of this kind is to make the events hang together and the narration of them entertaining. Both these requisites are attained. People will be sure to read this story at one sitting, even if that involves hearing the clock strike several times after midnight and that is one test of at least one kind of excellence in a novel." (excerpts from the NY Times review of At the Time Appointed published July 18, 1903)
